Kazami Yuuji...
with a normal, everyday history
I've dug up everything I could dig up and by all accounts,
you seem to be a normal everyday student
that can't be the full story.
But, if you're coming to Mihama Academy,

Who are you, really?

KAZAMI
YUUJI
All right, everyone Today I'd like to introduce you to a new friend.
KAZAMI
YUUJI
I'm Kazami Yuuji
I've come to this normal, everyday school to lead a normal, everyday school life.
That is all.

I see our new transfer student is male
"Normal, everyday" What the heck?
Is that supposed to be a joke?
Yuuji...?
Kazami
HIDE
...A boy!
...A-
there was supposed to be one other, wasn't there?
According to the information I received,

Sakaki-san. She must be–...

Sakaki Yumiko, I presume?
SWISH

GRAB
Is that how you normally introduce yourself?
!

You're not normal.
SWISH
I'm just a normal, everyday high school student.
When you beat up those guys who were harassing me at the riverbed,
that definitely wasn't normal!
.....

TOOK YOU LONG ENOUGH!!
Ahh.
You're that girl I saved from attempted assault.
Anyway, I refuse to accept you here!
You're not normal, and-...!
I don't-...!
.....
What's wrong?
.....

CREAK
SLAM
... I don't
intend to accept anything that wants to harm what's precious to me!

It's me.
BEEP
BNNNN
How's it going?
Enjoying a normal, everyday student life?
I'm hanging up.
I WAS JUST KIDDING!

...Work, huh?
I'll stick to talking about work from here on out.
Even so...

Time passed with no regard for my wishes.
My ash-grey orchard started to become tinted
with the color of Kazami Yuuji.

Little by little, the whole scene was becoming more vivid.
As his color mixed with those around him, it began to pull out unique hues that had, so far, been hidden.
as all the other colors on this once-grey canvas took on tone and vibrance,
And yet,
my color, alone, remained dull and lifeless.

A Certain Sunday

Mr. Chair-man.
It's been a while.
I don't have much time. Let's proceed with the usual route.
We've decided on an alternate inspection route in case you'd like to–

I have no need to see any other locations
...Yes, sir.
What's going on there?
The Chairman's inspection... He comes to do them every so often.
He's president of the East Beach Express, but he also serves as Mihama Academy's board chairman.
It's like the procession of a feudal lord, y'know...
What's his name?
Sakaki Michiaki-san.

I see.
So that's the client, is it?
In that case, where's his daughter?
Sakaki?
Yeah.
He's Sakaki-san's father.
The roof?
I suspect she would be on the roof.

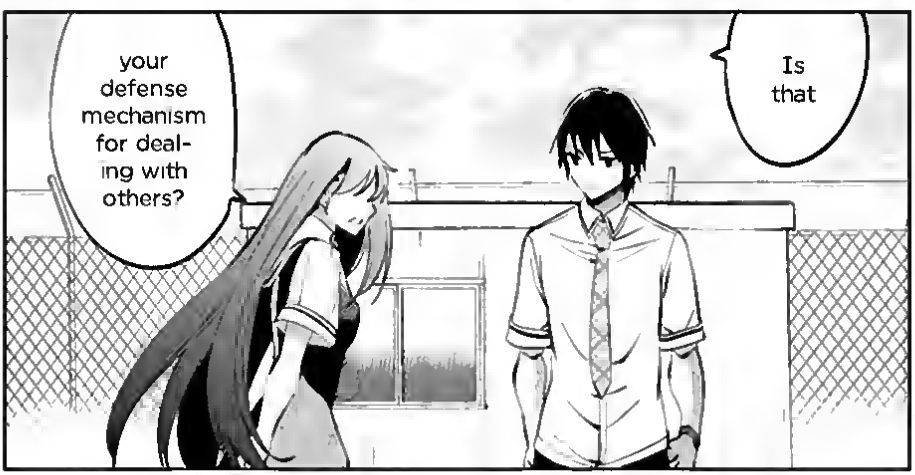
STEP
What are you doing here?
Yo.

Wa
ha
ha
ha
...Oh.
Just looking
at the sky
Just to make sure,
she doesn't want to see me, does she?
...Of course.
Give my regards to your father about that matter that came up the other day
Oh, and...

HMPH.
No.
There's no convincing her.

I'm not such a twisted character that I'd intrude on your personal circumstances just to satisfy my own curiosity
There's nothing I personally want to talk to you about, but..
...You don't want to ask me anything?

If there's anything *you* want to talk to *me* about,
I wouldn't refuse to listen



Is that
your defense mechanism for dealing with others?

I have nothing
to say to you.
.....
JB?
I'm in the middle of something here, JB.
BZZZ

We have a "Go" order from the client. As of 1200 hours today, you are tasked with ensuring the target's personal safety
This is important work-related business
If a disturbance arises, you are to eliminate it with full discretion.
Furthermore, the target should not be made aware of your orders.
?
What?
...UNDERSTOOD.
BEEP

From now on I, Kazami Yuuji,
will be treating you, Sakaki Yumiko, as a person of maximum interest.
The situation has changed.
